“FIVE MINUTE SLOT” AND FUTURE AGENDA

Report by the Director

RECOMMENDATION

That Members consider their future agenda.

1. The future agenda will mainly be driven by the Association’s Action Plan which is dealt with under item 9. This item gives Members the chance to consider other aspects of their future agenda.
2. At the moment we have the following potential matters for discussion at the meetings of the Association on 29 September and 24 November:
 - ! Waste management - next developments in the partnership
 - ! Supporting People - preparation for the Area Inspection in December
 - ! Report-back on the Overview/Scrutiny Capacity Building Project
 - ! Gypsies and Travellers (including Showpeople) - sites
 - ! Disabled Facilities Grants and Disability Benefits
 - ! Appointments to Outside Bodies.
3. In addition we are still aiming to hold a separate workshop for Members on the local impact of National Park status, and we have invited the LGA Director, Paul Coen, to attend a future meeting.
