

**HAMPSHIRE AND ISLE OF WIGHT LOCAL GOVERNMENT ASSOCIATION**

**27 January 2006**

**INTERNATIONAL LINKS AND EUROPEAN FUNDING**

**Introductory report by the Director**

---

**RECOMMENDATION**

That Member authorities consider the opportunities for using the expertise developed in Hampshire County and Southampton City Councils.

---

1. At last September's HIOW meeting Hampshire County Council asked for the subject of European funding to be considered. Since then both Hampshire and Southampton have provided very full reports for consideration by Members.
2. These reports are appended in full and the matter has been put well down the agenda to allow Roy Perry of Hampshire County Council to attend following another engagement.
