

SOUTH EAST EMPLOYERS
for Local Authorities in the South East

[South East Employers' Organisation](#)

South East Employers (SEE) is a Regional Employers' Organisation which:

- Serves and represents the interests of 74 local authorities, in addition to police authorities, fire and rescue authorities, town and parish councils, probation services, housing associations, educational establishments, charitable trusts, community associations and independent organisations in the south east region;
- Facilitates networking opportunities between employers to enable the sharing of information, views, knowledge and experiences regarding best employment policies and practice;
- Builds the capacity of local authorities and their elected members to serve their communities through a range of improvement and development consultancy services, training courses and conferences;
- Provides research, support and advisory services on all employment matters including workforce planning, organisational development, equality and diversity, recruitment and assessment, pay, grading and remuneration, well-being, employment relations, mediation and conflict resolution, capacity building and skills development.

SEE is an independent, member-led, non-profit making organisation, specialising in the needs of local government, run by its membership for the benefit of its membership.
