

HAMPSHIRE AND ISLE OF WIGHT LOCAL GOVERNMENT ASSOCIATION

28 September 2007

“FIVE MINUTE SLOT” AND FUTURE AGENDA

Report by the Director

RECOMMENDATION

That the report be noted.

1. This item gives Members the chance to consider their future agenda.
2. At the moment we have the following potential matters for discussion at the next meeting of the Association on 30 November 2007:
 - ! Safer Neighbourhoods - Assistant Chief Constable, Simon Cole, has asked to give a presentation and seek members' views
 - ! Joined-up service for rural communities - presentation by the Hampshire Rural Pathfinder
 - ! Proposed abolition of Southsea Town Council - item from Hampshire Association of Parish and Town Councils.
3. Part of our plan for the current year is to consider climate change. The LGA's Climate Change Commission has produced an interim report dealing with both the reduction of emissions and improving resilience. Each authority is currently addressing this issue and it is proposed to bring a report to HIOW in Spring 2008 addressing additional and joined-up activities which can be considered across all member authorities.
