**RECOMMENDATION**

That the report be noted.

1. The future agenda will mainly be driven by the Association’s Action Plan which is dealt with under item 8.
2. At the moment we have the following potential matters for discussion at the meeting of the Association on 28 September:
  - ! Presentation on the new local area agreements coming in next year and on the new regional capacity-building fund for Local Strategic Partnerships which has taken over from the Hampshire and Isle of Wight capacity building project.
  - ! Representation of Hampshire District Councils on outside bodies.
  - ! Gypsies and Travellers’ Sites - proposals to Regional Assembly
3. An item on safer neighbourhoods will be presented to the Association’s meeting on 30 November by Simon Cole, Assistant Chief Constable.
